Wednesday, October 3, 2018								
WE01	Why Water in New Concrete Decks Negatively Affects Roof Systems	1.00	x			0.10	1.00	1.00
WE02	Fire and Smoke Protection Features and the NEW 2018 International Fire Code 701 Requirements	1.00	x			0.10	1.00	1.00
WE03	Construction Ethics: Making Good Choices	1.00	x			0.10	1.00	1.00
WE04	The Value of Saying "NO" within a Project	1.00				0.10	1.00	
WE05	Top 10 Construction Cautions with Building Enclosures	1.00	x			0.10	1.00	1.00
TT01	The Aquarium of the Pacific: Pacific Visions Expansion Tour	1.00	x			0.10	1.50	1.00
WE06	What's New in the General Requirements? An Updated Look at Division 01	1.00				0.10	1.00	1.00
WE07	"Studii Perfectionem": One Firm's Journey to Increase Knowledge, Improve Quality & Pursue Perfection	1.00				0.10	1.00	1.00
WE08	Architectural Millwork & Net Zero: Responding to Changing Conditions	1.00	x			0.10	1.00	
WE09	Performance Anxiety-Confessions from the Building Envelope	1.00	x			0.10	1.00	1.00
WE10	The Art of Specifying Natural Stone	1.00	x			0.10	1.00	
TT02	Long Beach Tour: The Charm of the Past Alive with a Vision for the Future	1.00	x			0.10	1.50	1.00
WE11	Quality MEP/FP Constructability Concerns: A Guideline for BIM & The Building Envelope	1.25	x			0.10	1.00	1.25
WE12	Accessibility: A Real-World View of Recurrent Non-Complying Elements	1.25	x			0.10	1.50	1.25
WE13	Changing the Language of Concrete: New Ideas for a Timeless Material	1.25	x			0.10	1.00	1.25
WE14	Make Your Point: Three Crucial Communications Skills That Will Make You Heard					0.10	1.00	
WE15	Historic Building Structural Repairs — Dealing with the 'Surprises' that Buildings Unexpectedly Deliver to You	1.25	x			0.10	1.00	1.25
LUN	Archispeak Interactive Luncheon: Real Talk About Challenges, Opportunities & Innovations Surrounding AEC Teams	1.00				0.10	1.00	1.00
WE16	The Complete Wall Hands-On Workshop: Maintaining Continuous Insulation & Air Barriers at Transitions	1.25	x			0.10	1.00	1.25
WE17	Bid Day Simulator: Where the Documents Meet the \$\$\$	1.25	x			0.15	1.00	1.25
WE18	Preventing High-Rise Building Envelope System Failures	1.25	x			0.15	1.00	1.25
WE19	Closing the Gap – Performance to Work Results through New Tools & Master Specifications	1.25	x			0.10	1.00	1.25
WE20	Essentials of Conflict Resolution: Why We Fight & What to Do About It					0.10	1.00	1.25
WE21	How to Avoid the Top 5 Problems with Door Hardware Specifications	1.25	x			0.10	1.00	
TT03	USC LA Memorial Coliseum Tour: Preservation and Renovation During Active Use	1.50	x			0.10		1.50
WE22	Challenges of Resiliency: Resilient Design from Policy to Specifications	1.00	x			0.10	1.00	1.00
WE23	Building Envelope Construction Observation - Lessons Learned	1.00	x			0.10	1.00	1.00
WE24	Appropriate Use of Tools – Improving Specifications	1.00	x			0.10	1.00	1.00
WE25	Getting Started with Passing the CDT Exam	1.00				0.10	1.00	

Informa Exhibitions is an Approved CPD Provider. Credit will be self-reported. Visit www.bomi.org for additional details.

CSI accepts AIA LUs from their members to fulfill their continuing education requirements to renew their certifications. For more information visit www.csiresources.org.

Code	Title	AIA		BOMI	CSI	ICC	NARI	RCI
		LU	HSW					
Wednesday, October 3, 2018 (continued)								
WE26	Advanced Enclosure Detailing	2.75	x			0.25	3.00	2.75
WE27	The Complete Wall Hands-On Workshop: Maintaining Continuous Insulation & Air Barriers at Transitions	1.50	x			0.10	1.50	1.50
WE28	A New Regime - Fiduciary Duties for Licensed Design Professionals	1.50				0.15	1.50	1.50
WE29	Let's Fix Construction: An Interactive, Problem Solving Workshop	1.50				0.15	1.50	1.50
WE30	Gauged Porcelain Tile: The Birth of a Product Category	1.50	x			0.15	1.50	
WE31	System Performance: Warranties for Better Buildings	1.50	x			0.15	1.50	1.50
Thursday, October 4, 2018								
TH01	A Look Ahead at 2019: Trends and Challenges in the AEC Industry	1.00				0.10	1.00	1.00
TH02	Best Practice Designs for Cost Effective Approaches to ZNE in Commercial Building Enclosures	1.00	x			0.10	1.00	1.00
TH03	Can the Internet Shake Your Hand? - Maximizing Your Product Rep Relationship	1.00				0.10	1.00	
TH04	Understanding and Ending Moisture Related Flooring Problems	1.50	x			0.10	1.50	
TH05	Design-Assist Panel: Overcoming Challenges	1.50	x			0.15	1.50	1.50
TH06	Facing Danger: Public Speaking for Non-Public Speakers	1.00				0.10	1.00	
TH07	You Wrote 1,200 RFI's but Not This One?!?!	1.00	x			0.10	1.00	1.00
TH08	How NOT to Sell Stuff to Architects					0.10	1.00	
TH09	Why Equity Matters for Everyone: A New Value Proposition for Design	1.00				0.10	1.00	
TH10	Knowledge Transfer: An Ethical Responsibility for AEC Professionals	1.00				0.10	1.00	
LL01	Paint Technology: Chemistry & Performance	1.00	x			0.10	1.00	
LL03	Paint 201: Practical Solutions and Problem-Solving Techniques	1.00	x			0.10	1.00	
LL05	Creating Healthy Environments with Advanced Paint Technology	1.00	x			0.10	1.00	
Friday, October 5, 2018								
FR01	Systemic Building Envelope Failure Horror Stories & How to Avoid Them	1.00	x			0.10	1.00	1.00
FR02	Addressing Industry & Project Challenges through Off-Site Construction	1.00	x			0.10	1.00	1.00
FR03	From Fiber to Buildings: Understanding the Design and Performance of Mass Timber Structures	1.00	x			0.10	1.00	1.00
FR04	Using Specifications to Bridge the Gap Between Design & Construction	1.50	x			0.15	1.50	1.50
FR05	Architects, Engineers and the 4th Dimension	1.50	x			0.15	1.50	1.50
FR06	An Optimistic Report from the Dystopian, Apocalyptic World of 2030 – Innovations in Net Zero Building	1.00	x			0.10	1.00	1.00
FR07	The 3 Critical Elements in Successful Architectural Sales Calls	1.00				0.10	1.00	
FR08	The Future of Whole-Building Airtightness - How to Stop Worrying and Embrace the Test	1.00	x			0.10	1.00	1.00
FR09	Millennials as Successors: Misconceptions & Realities...	1.00				0.10	1.00	
FR10	The Digital Transformation of Specifications	1.00				0.10	1.00	1.00
LL07	Paint Technology: Chemistry & Performance	1.00	x			0.10	1.00	
LL09	Paint 201: Practical Solutions and Problem-Solving Techniques	1.00	x			0.10	1.00	
LL11	Creating Healthy Environments with Advanced Paint Technology	1.00	x			0.10	1.00
